

Dear Preservation Dallas Members and Friends,

What does your community mean to you? What do you want Dallas to look like in 10 years, 20 years, or even 50 years? Will the loss of Dallas' landmarks and heritage really matter?

When you support Preservation Dallas, you are helping to ensure that our past is an integral part of our future. This is not only the perspective of saving our landmarks for future generations, but your assistance also helps guarantee a greener, more sustainable city. And, you are contributing to a proven economic tool that can help stabilize neighborhoods and stimulate reinvestment in existing properties, as in our revitalized downtown.

Historic preservation is an investment that will pay dividends in any type of economic environment. Your donation will aid programs designed to improve our quality of life, recognize Dallas' cultural and artistic heritage, grow our downtown, and educate young and old of the value of these resources. In other words, by giving today, you are making an investment that will reach far beyond one simple cause. Your timely support is vital and greatly appreciated.

Thank you,

Katherine D. Seale
Executive Director
