Statement of Understanding

THE STATE OF ____________ §
COUNTY OF _______________ §

I certify that the information in the application for a tax exemption, including all supporting documentation, is complete and correct.

I authorize members of the Landmark Commission and city officials to visit and inspect the property as necessary to certify eligibility and verification for a tax exemption.

I acknowledge that I have read and understand the program regulations, and that I will not receive an exemption until all program requirements have been met and a letter of verification obtained.

I understand that all rehabilitation work must be completed by the time specified by the Landmark Commission (or within 3 years after the date of the Landmark Commission’s determination of eligibility if a completion date was not specified). If the deadline for completion is subsequently extended by the Landmark Commission all rehabilitation work must be completed by the extended time specified. I understand that penalties may apply if I do not complete the work.

I understand that I must make an annual application to Dallas County Appraisal District each year in order to receive the exemption for that year, and that if I do not make the application in time, I will lose the ability to receive a tax exemption for that year.
